Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Broward College's Unlimited Potential (UP) program in FY 2022.

The entity to receive funding for this project is Broward College, located at 111 E Las Olas Blvd., Fort Lauderdale, FL 33301.

The funding for this project would be used by Broward College to expand postsecondary education opportunities that are being offered in the community. Broward UP seeks to expand workforce training and certifications, as well as provide success coaching to get residents to the finish line of their educational programs, by providing placement in jobs and educational programs and creating access to training programs through two mobile units, technology cards and program development.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Debbie Wasserman Schultz".
