Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Body-Worn Cameras in fiscal year 2023.

The entity to receive funding for this is the Town of Davie, located at 880 SW 36th Street, Davie, FL 33328.

The funding would be used to implement a body-worn camera program for the Town of Davie Police Department. This program will be deployed through a pilot program that would implement the best practices for body-worn cameras. This project will support equipment purchases, information technology storage, training for officers, and necessary support staff. Body-worn cameras have become a topic of increasing interest amount communities and law enforcement and have become the norm for many public safety organizations. The use of body-worn cameras promotes accountability and transparency, enhances community relations, and improves firsthand evidence of interactions between the police and the public.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Debbie Wasserman Schultz".
