Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Electric Bus Fleet and Electric Vehicle Transit Parking and Charging Facility in fiscal year 2023.

The entity to receive funding for this is the City of Hallandale Beach, located at 400 South Federal Highway, Hallandale Beach, FL 33009.

The funding would be used to implement an all-Electric Bus Fleet and Electric Vehicle Transit Parking and Charging Facility, which in addition to the positive impact to the environment, will provide an opportunity to reduce health impacts resulting from transportation pollution within the Community. This facility will ease environmental burdens for the community and reduce regional impacts as it relates to emissions, contamination load, and air quality. The new electric fleet will connect residents and tourists to employment centers and other key trip generators in a more environmentally friendly manner.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Debbie Wasserman Schultz".
