Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Intermodal Public Transfer Station in fiscal year 2023.

The entity to receive funding for this is the City of Sunrise, located at 10770 West Oakland Park Boulevard, Sunrise, FL 33351.

The funding would be used to build the Intermodal Public Transfer Station which will include a minimum of 500 parking spaces and will facilitate multiple modes of transportation through the incorporation of bicycle rentals and racks, scooter rentals, electric charging stations, and community bus stops. This will facilitate and create a resilient, sustainable environment in accordance with the City's Sustainability Action Plan (SAP) goals. The Intermodal Public Transfer Station will create alternative transportation opportunities while increasing connectivity of existing transportation systems and reducing greenhouse gas emissions. Once completed it will have a significant impact on the Sunrise community and surrounding areas by better accommodating pedestrian travel, bicyclists, mass transit users, drivers, as well as enhancing the mobility of the city's large senior citizen population and individuals with disabilities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Debbie Wasserman Schultz".
