Dear Chairman Cole and Ranking Member DeLauro:

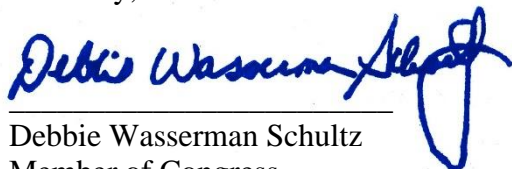

I am requesting funding for the Miami-Dade County Saving Rosewood project in Fiscal Year 2025. The entity to receive funding for this project is Miami-Dade County, located at 2300 Civic Center Place, Miramar, FL 33025. The funding would be used for the purchase of 35 acres of historic land for preservation and conservation. Private donations will be used for the replanting of endangered long-leaf (yellow) Pines, and Red Cedar trees on the property. Replanting long-leaf pine and Red Cedar in Cedar Key will contribute to the conservation of these endangered species and provide new recreational spaces for the public.

The project is an appropriate use of taxpayer funds because it will help support economic growth by creating jobs in the local community and attracting tourism, benefiting taxpayers through an improved economy and a healthier environment.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Debbie Wasserman Schultz  
Member of Congress
