Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Miramar Meter Repair and Replacement in Fiscal Year 2025. The entity to receive funding for this project is the City of Miramar, located at 2300 Civic Center Place, Miramar, FL 33025. The funding would be used for water meter updates to the AMI FlexNet system, which enables the meter division to communicate with customers meters' without ever leaving the office, providing enhanced capabilities that improve customer service such as on-demand meter reads and remote meter disconnect. This project endeavors to maintain all meters and components through timely replacements to ensure continued accuracy in readings and billings.

The project is an appropriate use of taxpayer funds because it will help ensure fair and accurate customer billing for residents of the City of Miramar.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Debbie Wasserman Schultz
Member of Congress
