Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Gravity Sewer Line Rehabilitation / Inflow and Infiltration Correction in fiscal year 2024. The entity to receive funding for this project is the City of Cooper City, located at 9090 SW 50th Place, Cooper City FL 33328.

The funding would be used for to minimize over-burdening the fragile treatment system and prevent sewer overflows into sensitive water bodies of the State. The sewer rehabilitation is re-lining the entire length by inserting smooth, durable “sock” inside existing cracked or broken pipes. The project is spread throughout Cooper City. This will keep water costs lower and help protect the environmentally sensitive Everglades.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Debbie Wasserman Schultz
Member of Congress
