Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Water Main Infrastructure Improvements in fiscal year 2024. The entity to receive funding for this project is the City of Miramar, located at 2300 Civic Center Place Miramar FL 33025.

The funding would be used for to provide potable water to residents through a centralized and permitted water system to residents who are currently served by private wells. Safe and reliable potable water will ensure that the risk for waterborne diseases is less likely to occur from a permitted water treatment plant than unregulated private wells. As such, the residents public health will be enhanced.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Debbie Wasserman Schultz
Member of Congress
